

Creative Cities Fund - Tax-Deductible Donation Form

To create a culture of innovation in economic development and public education

Goal: To provide greater impact in the community toward the Committee of 100's mission for economic vitality and high-quality public education.

Funding may be provided to 501(c)3 non-profits or government entities for:

- Long-term regional visioning
- Economic vitality initiatives
- Education engagement/citizen visioning efforts for local school systems
- Career/workforce education

Fund Management:

- A Donors Committee of members who contribute to the fund will be appointed by the Committee of 100 Board to recommend expenditures based on focus areas and review the investment performance of the fund.
- The Community Foundation will manage investments, issue checks, send recognition to members/families of those honored, and send 501(c)3 tax reports to donors.
